THE MAYOR'S CORNER

Dear Residents,

An election was not held this year for the Atlantis City Council as Mike Dahlgren and Manny Fernandez choose not to run for their seats on the council. Please join with me in extending our gratitude to these fine gentlemen who proudly served our city for decades. Mike Dahlgren served Atlantis for 22 years including stints as treasurer and mayor, and Manny Fernandez served for 12 years — also as treasurer and mayor. Both outstanding leaders and businessmen, Mike and Manny helped guide our great city with successful fiscal conservatism. I am honored to have served with both men, and on behalf of the Council and the city, we extend our best wishes to Mike and Manny and your families as you embark on your next endeavors.

I welcome Ralph White (Group 4 seat) and Aaron Rinker (Group 2 seat) to the council and look forward to working with them in the future. Aaron and Ralph will be sworn in at the next council meeting, Wednesday, March 25, 2015.

I encourage all residents to reach out to the council with any and all concerns. We have a great, friendly city staff who are always willing to help you out and resolve problems. Please do not hesitate to give them a call. Residents are always welcome at the council meetings to voice their concerns and oftentimes a phone call to city hall could get the ball rolling well before the next council meeting. In addition, think about volunteering for positions on committees that help make our city better for all.

Recently there have been several "crimes of opportunity" in our city. These crimes are so defined because access to the property in all cases was through

unsecured doors. I would like to remind everyone that we all must secure our homes, vehicles and property. Please take a minute after you read this and check every door and window in your home to make sure they are secure.

Our police officers are doing their best to patrol all areas of our city. Extra shifts have been added for even better coverage. Please remember to report any and all suspicious activity immediately. For example, if you hear suspicious noises or see someone walking in your neighborhood in the middle of the night, call the police. A call to our police station that turns up nothing is better than not calling at all. None of us want to be in the position of learning the next day that a neighbor was a victim of criminal activity. The Detective and Officers have made an arrest in the most recent case; however this is still an ongoing investigation. We are looking to prosecute any and all criminal activity within the city.

We sent out a reverse 911 to the city notifying you the residents of this recent activity and learned that some residents did not receive the call. If you did not receive the call it means your number is not on the list so please notify the police department to ensure that your phone number is registered for the 911 program. Let's all do our part in helping our Police Department keep us safe.

Spring Fling is just around the corner. Please review all the details in this newsletter. I look forward to seeing you all there.

Serving proudly,

Mayor David Kintz

Manager's Notes March 2015

I will begin by echoing the Mayor's expression of gratitude to outgoing council members Mike Dahlgren and Manny Fernandez. I will miss working with both of them. Mike was our treasurer for many years. He analyzed the budget and the finances on a monthly basis. He was always there with advice and counsel. He and his wife Sue have become true friends. When Mike stepped into the Mayor's chair, Manny stepped in as treasurer. As with Mike, he had a great understanding of the city operations and budgetary needs. He always looked at the big picture when making decisions. We have lost a great deal of institutional knowledge in these two gentlemen. I wish them well as they move on to new and different activities. Welcome to Aaron Rinker and Ralph White. We will profile them in future newsletters.

Our Annual Easter Egg Hunt is Saturday, April 4. Bring the kids out for a fun family event. The entry form is on page 7.

Spring Fling is Saturday April 11. Wristbands go on sale this week at City Hall. The advance purchase price is \$10. If you have an antique or unusual car, please consider joining our car show. We also still need homes for the garden tour. There are a few spots left in the art show. Call me or email me to participate or volunteer.

Congratulations to Lynn Decker for being the first to email me with the correct answer to my Directory Trivia question. She wins two wristbands to Spring Fling.

As always, I can be reached at City Hall or by email at mthornton@atlantisfl.gov

City News...

The City of Atlantis Council Meeting was called to order at 7 p.m. on February 18th.

Ordinance 429, adopting a new zoning district called "General Commercial" passed 3-1. This new zoning district, if passed on its second and final reading on March , would include our Atlantis Chevron Station on Congress Avenue, plus any future annexed land along Congress Avenue or Military Trail. Already proposed is a four-story self storage building and an automotive store facing Military Trail adjacent to the northwest corner of Atlantis, just north of the L-14 canal. Atlantis would also have to annex this land so this proposed new zoning district would apply.

In Miscellaneous Business, an independent auditor's report for 2013-2014 was presented by Holyfield & Thomas LLC. As usual, Atlantis received an A+ rating.

The Mayor and City Council, along with the City Manager, all thanked outgoing Councilmen Mr. Michael Dahlgren and Mr. Manuel Fernandez for their many years of dedicated service. Mike has been on the council since 1993 and Manny since 2003. Mr. Aaron Rinker and Mr. Ralph White will be taking their places on the Council.

Community Safety through Community Awareness and Involvement:**Crime Prevention Tip: Home Burglary**

Due to recent crimes I am reissuing crime prevention information regarding home and auto burglaries in this and upcoming newsletters.

By far, the most common threat to our home is burglary. According to the FBI, a burglary occurs somewhere in the United States every 16 seconds. By definition, the crime of burglary is a non-confrontational property crime that occurs when we are not at home. However, becoming a burglary victim can leave a family feeling vulnerable and violated. To avoid becoming a burglary victim, it is important to first gain an understanding of who commits them and why.

The majority of home and apartment burglaries occur during the daytime when most people are away at work or school. The summer months of July and August have the most burglaries with February having the fewest crimes. Burglaries are committed most often by young males less than 25 years of age looking for items that are small, expensive, and can easily be converted to cash. Favorite items are cash, jewelry, guns, watches, laptop computers, and other small electronic devices are high on the list. Quick cash is needed for living expenses and drugs. 2013 statistics tell us that 60% burglaries required some amount force to enter dwellings; however burglars preference is to gain easy access through an open/unsecured door or window. Ordinary household tools like screwdrivers, channel-lock pliers, small pry bars, and small hammers are most often used by burglars. Burglars continue to flourish because police can only clear about 13% of all reported burglaries and rarely catch the thief in the act.

Although home burglaries may seem random in occurrence, they actually involve a selection process. The burglar's selection process is simple. Choose an unoccupied home with the easiest access, the greatest amount of cover, and with the best escape routes.

Now we will continue with information about how best to secure your doors.

Doors and Locks

The first step is to *harden the target* or make your home more difficult to enter. Remember, the burglar will simply bypass your home if it requires too much effort or requires more skill and tools than they possess. Most burglars enter via the front, back, or garage doors. Experienced burglars know that the garage door is usually the weakest point of entry followed by the back door. The garage and back doors also provide the most cover. Burglars know to look inside your car for keys and other valuables so keep it locked, even when parked inside your garage. Use high quality Grade-1 or Grade-2 locks on exterior doors to resist twisting, prying, and lock-picking attempts. A quality deadbolt lock will have a beveled casing to inhibit the use of channel-lock pliers used to shear off lock cylinder pins. A quality door knob-in-lock set will have a 'dead latch' mechanism to prevent slipping the lock with a shim or credit card.

- Use a solid core or metal door for all entrance points
- Use a quality, heavy-duty, deadbolt lock with a one-inch throw bolt
- Use a quality, heavy-duty, knob-in-lock set with a dead-latch mechanism
- Use a heavy-duty, four-screw, strike plate with 3-inch screws to penetrate into a wooden door frame
- Use a wide-angle 160° peephole mounted no higher than 58 inches

continued on page 4

POLICE DEPARTMENT NEWS

Continued from page 3

The most common way used to force entry through a door with a wooden jamb is to simply kick it open. The weakest point is almost always the lock strike plate that holds the latch or lock bolt in place followed by a glass paneled door. The average door strike plate is secured only by the soft-wood doorjamb molding. These lightweight moldings are often tacked on to the door frame and can be torn away with a firm kick. Because of this

construction flaw, it makes sense to upgrade to a four-screw, heavy-duty, high security strike plate. They are available in most quality hardware stores and home improvement centers and are definitely worth the extra expense. Install this heavy-duty strike plate using 3-inch wood screws to cut deep into the door frame stud. Use these longer screws in the knob lock strike plate as well and use at least one long screw in each door hinge. This

one step alone will deter or prevent most through-the-door forced entries. You and your family will sleep safer in the future.

In our next newsletter we will continue with home burglary and how to secure sliding glass doors and windows.

Reminder...

One of the amenities of Atlantis is back door garbage service. We pay a premium for the garbage company to pick up the garbage from the underground cans. This keeps the city looking neat and clean.

Please place your items in the underground cans **before 7:00 am on Monday and Thursday**. Bulk items may be placed at the curb on Sunday night for collection on Monday.

Vegetation may be placed at the curb on Sunday night as well. If you use a contract lawn maintenance company, that company is required to take all debris away with them on the day it is generated.

From The Police Department

(R911)

The City of Atlantis has an emergency phone system which sends out a phone call relaying important messages and alerts to residents. Recently an announcement went out and some residents advised that they did not receive the message. We are updating our database. Please include everyone in your household who wishes to be notified.

With advances in technology, it has become common for residents to no longer have "landline" telephones as most utilize cellular phones.

We ask that you fill out the form below with your current information, including the phone number(s) you would prefer to receive these messages on. We urge residents to sign up for this service as it is a helpful way to get out information in an emergency to the community.

Please return the form to the police department either in person, via email to dispatcher@cityofatlantis.com, by fax to 561-968-9443 or mail it to:

Everyone must purchase a wristband to participate in all events during the day and evening. Each wristband is \$10, kids 3 and under are free. Pick up your wristbands at City Hall starting on Monday, March 2, and then outside Council Chambers on Monday-Wednesday, April 6-8 from 9 am – 1 pm, and Thursday & Friday, April 9-10 from 10 am – 4 pm. **Wristbands will be \$15 each on the day of the event.**

Be a "Friend of the City" and help us host Spring Fling!

Our 6th annual Spring Fling is scheduled for Saturday, April 11. Selling "tickets" (wristbands) to our residents at a cost of \$10 per person will cover some of the cost of food, games and entertainment, including those fabulous fireworks. But that won't do it all.

We are inviting our residents and friends to meet the "Spring Fling Challenge" by making a tax-deductible contribution so that we can have another fun-filled day. Sponsorships can be shared with several residents or a group, e.g. condo association, tennis group. You can be a general sponsor, or target your contribution for a specific activity, like the fireworks, ice skating rink, or children's games. We will recognize your gift with signage at "Spring Fling" and also in the City's newsletter.

We've already received several contributions—our "Friend of the City" list is printed on page 6. Please consider adding your name to the list. Thank you!

If you are interested in becoming a "Friend of the City," please send the form below to our City Manager, Mo Thornton. And if you have any questions, or would like additional information, you can call her at (965-1744) or send an e-mail to mthornton@atlantisfl.gov.

Literary Society

On February 18, Joan Beach led an interesting discussion of Graeme Simsion's book, **The Rosie Project**. The book was enjoyed by all of those present. If you have not read this book, you may want to add it to your summer reading list.

It was decided by those present to change our March book to **Orphan Train: A Novel** – by Christina Baker Kline. A new member of our group, Janet Littlefield, will lead our discussion. Janet has a friend whose grandparents were on an orphan train and she will share some of the information she has gathered. Comments I have heard from those who have read this book are very positive. Please join us on Wednesday, March 18 to discuss this book. (Please remember to call Pat Clem or sign up at the desk in the Ladies' Locker Room if you plan to attend.) At this meeting members will receive the list of Summer Reading suggestions, as well as those we will choose from for the books we will discuss next year. If you are unable to attend this meeting, please let me know if you want a copy of the Summer Reading List and a ballot for next year's books, and I will see that you receive it. (964-4771)

On April 18th, we will discuss **The Light Between The Oceans** by M. L. Stedman, which was to have been our book in March. Lynn Decker will be leading our discussion of this book. This meeting will be our last until next Fall. At this time we will announce the books chosen by our members for next year's study. We hope you will all be able to come.

As you prepare to head points north for the summer, if you have any books that you no longer want, please bring them to the Club and leave them in Pat Clem's office. We will be donating all of these books to the Lantana City Library.

Our meetings are open to all. There is a charge of \$8 to cover the Continental Breakfast the Club provides. \$8 is collected at the door, or, club members can charge the fee to their club accounts. Please come join us.

TRASH TALK

By Sarah Renstrom Jaksa

The Trash Lady is at it again, and wants your attention this month about hazardous waste. Every home has some type of hazardous waste: computers, TVs, paint, automobile oil, car batteries to name only a few. These items should not be put in the normal garbage which is sent to the county landfill. These items can leak harmful elements into the landfill and potentially poison our water. So what to do?

We are very, very fortunate in Palm Beach County to have a hazardous waste collection site near us. It is located across from Costco on Lantana Road before the entrance to I95. You enter the garbage collections center on your right (going east) and follow the blue signs to the **Home Chemical and Recycling Center**. Once there, you will find receptacles, shelves, crates and/or boxes for all your hazardous waste. On a recent visit, I noticed many computer screens and televisions, lots of containers for oil, many automobile batteries, long tubular containers for fluorescent lights, barrels for pesticides, pool chemicals, antifreeze, containers used for hazardous waste, cooking oil, telephones and answering machines, computer keyboards, and remote controls, latex and oil base paint, and many types of batteries. And best of all, there is no on site charge for disposal of these items. We pay for this service through our taxes.

Once you arrive at the center there is an "assistance center." You press the red button, and you are connected to an actual person who can answer any question you may have. I used it successfully. Very cool convenience.

The Center is open as follows: Mon-Fri: 7am-5pm, Saturday: 7am-Noon, and it is closed on Sunday. This is a home recycling center and not a business facility. If you have a question about hazardous waste, call SWS at 561-687-1100.
